PhD Gjoko Bunevski, regular (full) professor
Ss Cyril and Methodius University in Skopje,
Faculty of Agricultural Sciences and Food - Skopje,
Institute of Animal Biotechnology (www.fzh.ukim.edu.mk)
Head of the Department for Cattle and Horse Breeding
16ta Makedonska brigada No 3, 1000 Skopje,
Republic of North Macedonia

WORK EXPERIENCE

[Add separate entries for each experience. Start from the most recent.]

- 1994 -1996 Younger Assistant at the Faculty of agriculture and food, Skopje, R. of N. Macedonia
- 1996-2002 Assistant at the Faculty of agriculture and food, Skopje, R. of N. Macedonia,
- 2002-2006 Assist. Prof. at the Faculty of agriculture and food, Skopje, R. N. Macedonia,
- 2006-2012 Assoc. Prof. at the Faculty of agriculture and food, Skopje, R. N. Macedonia,
- 2012 up to date Reg. Prof. at the Faculty of agriculture and food, Skopje, R. of N. Macedonia

- 2013-up to date Visiting professor at the Faculty of agriculture and life sciences, the University of Maribor, on group of subjects in the area of Cattle husbandry and Horse Breeding, R. of in Slovenia.
- 2022 Teacher at the Josip Juraj Strossmayer University of Osijek, Croatia, at the Faculty of Agrobiotechnical Sceinces in Osijek, by CEEPUS program by the Agency for Mobility and EU Programmes.

EDUCATION AND TRAINING

Replace with dates (from - to)

[Add separate entries for each course. Start from the most recent.]

- 1992-1996
Faculty of agriculture in Skopje, postgraduate studies
Cattle breeding and husbandry and close related subjects
M-Sc. Degree in the agricultural sciences

- 1996-2002
Faculty of agriculture in Skopje, PhD studies
Cattle and horse breeding and husbandry
15.09-04.11.1997
Course: "Production and marketing of farm products for Eastern European countries", Obihiro, JICA, Japan
Agriculture, plant production, animal production, marketing, processing industry
29.04-26.06.2000
IMG Tempus participant at the Institute of Animal sciences at the Wageningen Agricultural University, The Netherlands
Animal breeding, Cattle and Horse breeding and selection

Issued certificate of participation

03.01-01.05.2003

Agricultural University of Norway, Aas,

Cattle and Horse breeding and selection, selection programs, VCE, PEST and ASREML software procedure in dairy cattle.

Issued certificate of participation

06.01-05.02.2008

International Training Centre of Hyderabad, India

Training course of Agricultural Production and Management.

Issued certificate of participation

15.11.2021-12.12.2021

International training course of FAO (on-line)

Training course: Emergency reactions in animal breeding

Issued certificate of participation

Professional experience:

Date from - Date to	Location	Company	Position	Description
Curriculum Vitae 2019	Macedonia	USAID, Skopje Palladium International Office (Macedonia Business Ecosystem Project)	Replace with First name(s) Surname(s) Expert/ Trainer	Local Senior expert of the Project "Hygiene of cows and milking for better milk quality"
2013-up to date	Macedonia	National Breeding Organization NGO BUSGA - Skopje	Technical Secretary	Organising farmers of Busha cattle to carry out the National Breeding program for autothonomous cattle breeds in our state
2013 – up to date	Macedonia	National Breeding Organization NGO Macedonian Holstein Association of farmers - Skopje	Technical Secretary	Organising farmers of Holstein cattle to carry out the National Breeding program for dairy cattle breeds in our state
2013- up to date	Macedonia	Faculty of agricultural sciences and food, Skopje, University Ss. Cyril and Methodius, Skopje	National Coordinator r for Cattle biodiversity	Caring out the National Biodiversity program for conservation of domestic cattle breeds in N. Macedo- nia, supported by the Ministry of Agriculture
2013- up to date	Macedonia	Faculty of agricultural sciences and food, Skopje, University Ss. Cyril and Methodius, Skopje	National Coordinator r for Horse biodiversity	Caring out the National Biodiversity program for conservation of domestic equidae breeds in N. Macedo- nia, supported by the Ministry of Agriculture
2010- 2013	Macedonia	National Breeding Organization NGO Macedonian Holstein Association of farmers - Skopje	President	Caring out the National Breeding program for Holstein cattle breed, supported by the Ministry of Agriculture.
2013- up to date	Macedonia	National Breeding Organization NGO Macedonian Holstein Association of farmers - Skopje	Secretary	Caring out the National Breeding program for Holstein cattle breed, supported by the Ministry of Agriculture.
2024 - 2028	EU project	"Smart electricity for buildings-Center for vocational excellence"	Expert	Project Erasmus + CoVE, Excellence Center, Project No. ID 101144027 Budget: 3 Mill. Euro Expert work - at livestock farm buildings and farmers.

Key qualifications:

2007 - 2008 Member of team preparing the National Low of Livestock Production for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;

2009 – Member of the team of experts preparing Common National Livestock and Poultry Breeding Program for the period 2010-2020 at the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;

2009 – Member of the team of experts preparing National Domestic Animal Biodiversity Program for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;

2009 – 2010 - Expert in preparing the National Low of quality of agricultural products for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia in accordance to EU CAP (CMO) Common Market Regulations (part veal and beef sector);

2013 - coordinator in preparation of the National Breeding Programme for Holstein (Black and White) dairy cattle in the R. of Macedonia, for the period 2013-2017, for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;

2013 - coordinator in preparation of the National Breeding Programme for domestic Busha cattle in the R. of Macedonia, for the period 2013-2017, for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;

2013-2014 - Member of the Team for the realization of the Project "National Strategy for Agriculture and Rural development - NSARD" (Dairy Cattle Production sector);

2013-2014 - expert in the GEF UNDP small grants project "Protection of the domestic cattle breed Busha" in Ohrid region.

2014-2015 - expert in the GEF UNDP small grants project "Protection of the domestic water buffalo breed" in Strumica region.

2016-2017 - expert in the GEF UNDP small grants project "Protection of the domestic donkey" in Ohrid region.

2011-2020 – coordinator of the Project "Implementation of the Herd book keeping and monitoring of the the livestock and poultry sector" in the cattle production and horse breeding sector;

2017 - coordinator in preparation of the National Breeding Programme for Holstein (Black and White) dairy cattle in the R. of Macedonia, for the period 2017-2022, for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;

2011-2020 – coordinator of the Project "Implementation of the Herd book keeping and monitoring of the the livestock and poultry sector" in the cattle production and horse breeding sector;
 2017 - coordinator in preparation of the National Breeding Programme for Holstein (Black and White) dairy cattle in the R. of Macedonia, for the period 2017-2022, for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;
 2018 - coordinator in preparation of the National Breeding Programme for domestic Busha cattle in the R. of Macedonia, for the period 2018-2023, for the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;
 2019-2020 - expert in preparing the National Strategy for Agriculture Development 2020-2024 for the R. of Macedonia (part cattle and horse breeding),
 2011-2022 - coordinator and poultry expert of the Project "Realization of the National Livestock and Poultry Biodiversity program" in the cattle production and horse breeding sector;
 2021-2023 - expert in preparing the National Spatial Plan for agriculture and agricultural land (part cattle production sector) for the Agency for Spatial Planning, for the period 2022-2040 in the R. of North Macedonia.
 2010-2023 - Project manager of national program for bookkeeping, selection and monitoring - cattle and horse breeding sector.
 2010-2023 - Project manager of national program - Realization of professional tasks and activities from the program for biological diversity in animal husbandry - cattle and equidae sector.
 2022 - coordinator of the university study project "Preadaptation of the cattle production due to the new European Green Deal" financed from the University Ss. Cyril and Methodius in Skopje,
 2023-2024 - coordinator of the project "Application of the most important zootechnical measures at cattle farms" from the National Rural Network from the Ministry of agriculture, forestry and water economy (MAFWE) of the R. Macedonia;

Present position: Full Professor in Faculty of Agricultural Science and Food, Skopje – specialist in Cattle Science (Dairy and Beef science) and Horse Breeding.

Key qualification: Animal Science, Cattle husbandry, Horse breeding, expert in realization of biodiversity national program in animal science (conservation of genetic resources in cattle and equidae).
