Sex Male | Date of birth 05.III.1973 | Nationality Vlach

POSITION Full professor sheep breeding

WORK EXPERIENCE

2022 - PRESENT Full Professor

Faculty of Agricultural Sciences and Food (FASF), Skopje, University "Ss Cyril and Methodius", Department of Animal biotechnology
Teaching, research in sheep and goat science, livestock biodiversity

2017 - 2022 Associate Professor

Faculty of Agricultural Sciences and Food (FASF), Skopje, University "Ss Cyril and Methodius", Department of Animal biotechnology
Teaching, research in sheep and goat science, , livestock biodiversity

2012 - 2017 Assistant Professor

Faculty of Agricultural Sciences and Food (FASF), Skopje, University "Ss Cyril and Methodius", Department of Animal biotechnology

2008 - 2012 Assistant

Faculty of Agricultural Sciences and Food (FASF), Skopje, University "Ss Cyril and Methodius", Department of Animal biotechnology
Teaching, research in sheep and goat science

2005 - 2008 Assistant

Faculty of Agricultural Sciences and Food (FASF), Skopje, University "Ss Cyril and Methodius", Department of Animal biotechnology
Teaching, research in sheep and goat science

2002 - 2005 Junior Assistant

Faculty of Agricultural Sciences and Food (FASF), Skopje, "Ss Cyril and Methodius" University, Department of Animal biotechnology
Teaching, research in sheep and goat science

2002 Teaching and research associate

Faculty of Agriculture, Skopje, "Ss Cyril and Methodius" University, Department of Animal biotechnology
Teaching, research in sheep and goat science

2000 - 2001 Research associate

Macedonian academy of sciences and arts, Research centre for genetic engineering and biotechnology

EDUCATION AND TRAINING

2004 - 2012 Diploma of PhD, Doctor of Agricultural Science – Livestock breeding

Faculty of Agricultural Sciences and Food (FASF), Skopje, University "Ss Cyril and Methodius", Republic of Macedonia

2001 - 2004 Diploma of MSc, Master of Agricultural Science - Livestock breeding

Faculty of Agricultural Sciences and Food (FASF), Skopje, University "Ss Cyril and Methodius", Republic of Macedonia

1991-1997 Bachelor of Science, Diploma of graduated agricultural engineer, Livestock breeding

Faculty of Agriculture-Skopje, University Ss. Cyril & Methodius, Skopje, Republic of Macedonia

PERSONAL SKILLS

Mother tongue(s) Macedonian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1
Serbian/Croatian	C1	C1	C1	C1	C1
Replace with name of language certificate. Enter level if known.					

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2 Proficient user

[Common European Framework of Reference for Languages](#)

Communication skills

Good written and verbal communication skills, writing reports and scientific publications, confident, articulate, and professional speaking abilities in public, to groups, or via electronic media, (and experience).

Organisational / managerial skills

- Member of livestock council at Ministry of agriculture, forestry and water management 2023 - present
- Member of livestock council at Ministry of agriculture, forestry and water management 2019 - 2022
- Vice dean for international cooperation and finance 2017 - 2021
- Vice dean for international cooperation 2012 - 2017
- Coordinator of National program for herd book in the sheep and goat sector 2024 -
- Editor of Journal of Agricultural, Food and Environmental Sciences (JAFES)
- Coordinator of National program for protection of livestock biodiversity- sheep and goat sector 2011 - 2017
- Coordinator of National program for protection of livestock biodiversity- sheep and goat sector 2018 - 2024
- Coordinator of National program for herd book in the sheep and goat sector 2010 - 2020

Job-related skills

- Team working skills
- Presentation skills and applying presentation tools
- Excellent report writing abilities
- Teaching skills acquired through teaching experience and participation in academic courses and professional training.
- Presentation skills acquired through teaching experience and participation in various scientific events.

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Independent user	Independent user	Independent user	Independent user	Independent user

- Microsoft Word, Excel, Power Point, other office standard software systems
- Software for statistical analysis of genetic and genomic data

Projects

1. Realization of professional tasks and activities from the program for biological diversity in animal husbandry – sheep breeding. 2018-2024. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
2. Realization of professional tasks and activities from the program for biological diversity in animal husbandry – goat breeding. 2018-2024. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
3. Realization of professional tasks and activities from the program for biological diversity in animal husbandry – dog breeding. 2018-2024. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
4. „Macedonian natural resources“. Macedonian academy of sciences and arts. 2020-2023.
5. Registry-bookkeeping, selection and monitoring in animal husbandry –sheep breeding 2010-2020. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
6. Registry-bookkeeping, selection and monitoring in animal husbandry –goat breeding 2010-2020. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
7. Realization of professional tasks and activities from the program for biological diversity in animal husbandry – sheep breeding. 2011-2017. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
8. Realization of professional tasks and activities from the program for biological diversity in animal husbandry – goat breeding. 2011-2017. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
9. Realization of professional tasks and activities from the program for biological diversity in animal husbandry – dog breeding. 2011-2017. Ministry of Agriculture, Forestry and Water Economy (MAFWE).
10. Protection and characterization of the biological diversity of the shepherd dog – Sharplaninets. Duration of the project: 01/05/2011-01/01/2012.
11. TSE genotyping and proposed breeding program in small ruminants in the Republic of Macedonia. Duration of the project: 01/01/2008 - 31/12/2008.
12. PrP polymorphism in the genome of indigenous Macedonian and Slovenian Pramenka sheep breeds. Project demand: 01.01.2007-31.12.2008. No. by arrangement: 08-3030/1. Ministry of education and sciences (MES).
13. Protection of biological diversity in animal husbandry - support in the maintenance of the Karakachan sheep. Duration of the project: 01/01/2009-31/12/2009. No. of contract: 02-8920/1. Ministry of education and sciences (MES).
14. Agro biological diversity in animal husbandry. Duration of the project: 01/06/2007/-21/12/2007. No. of contract: 08-3108/1 Ministry of education and sciences (MES).
15. Upgrading of Food Safety System in the Republic of Macedonia. IAEA. (2005-2006). Project No: MAK5005.
16. Technological procedure for isolation of thermostable DNA polymerase. Development Project. 2004-2006. Ministry of education and sciences (MES).
17. Competence transfer and institutional contact and co-operation between faculties of Agriculture, Forestry and Veterinary medicine in South Eastern Europe - Identification and conservation of animal genetic resources in South East Europe. Norwegian Research Council. (2002-2004) Project No. 2020096.
18. Molecular markers in domestic animals - Casein genes in sheep. Duration of the project: 01/07/2003-30/06/2005. No. of contract: 13-1664/4-02. Ministry of education and sciences (MES).
19. DNA polymorphism in the Macedonian shepherd dog. Duration of the project: 2002-2004. No. of contract: 30-2224/1. Ministry of environment and physical planning.
20. Genetic markers in domestic animal selection-Ryanodine Receptor - 1 (RYR-1) gene in pigs. Duration of the project: 01.07.2000 - 30.06.2002. No. on contract: 08-2280/4. Ministry of education and sciences (MES).

Conferences

1. 6th Congress of Ecologists of the Republic of North Macedonia, with international participation October 15th – 18th, 2022.
2. IV International Symposium for Agriculture and Food, Ohrid, Republic of Macedonia, 12-14 October 2022
3. Third Symposium: Protection of Agrobiodiversity and Preservation of Indigenous Breeds of Domestic Animals. 2021, Dimitrov grad, Serbia.
4. III International Symposium for Agriculture and Food, Ohrid, Republic of Macedonia, 18-20 October 2017.
5. 5th Congress of Ecologists of the Republic of Macedonia, with international participation. Macedonian Ecological Society, 19th-22th October 2016.
6. II International Symposium for Agriculture and Food, Ohrid, Republic of Macedonia, 7-9 October 2015.
7. IV International Symposium "Agrosym". 2013, Jahorina.
8. International Symposium on Animal Science, Belgrade-Zemun 2014.
9. XIX Savetovanje o biotehnologiji sa medjunarodnim ucesce, 2014, Čačak.
10. International Symposium for Agriculture and Food, Skopje, Republic of Macedonia, 12-14 December 2012.
11. 4th Congress of Microbiologists of Macedonia with international participation – Ohrid. October 11th-15th, 2012.
12. III Congress of Ecologists of Macedonia with International Participation. Ohrid. October 6-6, 2007.
13. II Congress of Ecologists of Macedonia with International Participation. Ohrid. October 11th-15th, 2003.
14. Livestock symposium, Struga, Republic of Macedonia, 2001.

Seminars

1. Perspective of Macedonian shepherd breeding in the next 20 years for the period 2024 to 2044 according to the goals in the breeding program for sustainable management and modernization of pramenka ovchepolka. Kocho Porchu, 21-23, March, 2024, Shtip, Macedonia.
2. In situ and Ex situ gene conservation in Republic of Macedonia FAO, the European Regional Focal Point for Animal Genetic Resources (ERFP) and the Research Centre for Farm Animal Gene Conservation (HáGK) 12 April to 14 April 2016 Gödöllő, Hungary.
3. Strengthening the capacities of the Ministry of agriculture, forestry and water economy and public institutions and farmers - staffing and education of human resources in the system: "Review of the program for the protection of biological diversity in animal husbandry of the Republic of Moldova 2011-2017". Kocho Porchu, Second International Symposium on Agriculture and Food, Ohrid, October 7-9, 2015.
4. Strengthening of capacities in the Ministry of agriculture, forestry and water economy and public institutions and farmers - staffing and education of the human resources in the system: Characterization of the biological diversity of the sharplaninets, its dispersion and reintroduction in rural areas and breeders of the breed. Kocho Porchu, Second International Symposium on Agriculture and Food, Ohrid, October 7-9, 2015.
5. Strengthening of capacities in the Ministry of agriculture, forestry and water economy and public institutions and farmers - staffing and education of human resources in the system: Biological diversity in goat farming. Kocho Porchu, Second International Symposium on Agriculture and Food, Ohrid, October 7-9, 2015.
6. Conservation of biological diversity in animal husbandry at the national level - PrP genotyping in sheep, Kocho Porchu, Mavrovo, 12 and 13. 6. 2013, Mavrovo.
7. Agricultural Science and Technology Exchange between China and Central-Eastern European Countries. Beijing on Sep 6-9, 2013.
8. Ovchepolska sheep - Production traits, characterization of biological precociousness. Kocho Porchu, June 10, 2016, Pehcevo.
9. Protection of biological diversity in livestock breeding – consulting, in honor of prof. Dr. Risto Ilkovski Animal genetic resources in sheep and goats, Kocho Porchu, December 11, 2013, Faculty of Agricultural Sciences and Food, Skopje.
